English Language Enhancement Courses at Jumeira University

Jumeira University proudly introduces comprehensive language enhancement courses designed to empower students and professionals in achieving their academic and career aspirations. These courses cater to learners at various proficiency levels, focusing on both English and Arabic language development.

Courses Offered

1. General English (Three Levels)

- **Level 1 - Elementary English Language Course:**

For beginners, focusing on foundational grammar, vocabulary, and essential communication skills. (CEFR Level A1-A2)

- **Level 2 - Intermediate English Language Course:**

For learners, emphasizing fluency, comprehension, and practical usage in various contexts. (CEFR Level B1-B2)

- **Level 3 - Advanced English Language Course:**

For proficient users, honing academic and professional language abilities. (CEFR Level C1-C2)

*CEFR - Common European Framework of Reference for Languages.

2. Spoken English:

Focused on improving fluency, pronunciation, and real-life conversational skills.

3. IELTS Preparation

Comprehensive training for all four test areas—Listening, Reading, Writing, and Speaking—equipping students to excel in this internationally recognized English proficiency test.

4. Intensive IELTS Preparation

An intensive version of the standard IELTS preparation, designed to fast-track students' readiness for the test.

5. TOEFL Preparation

Tailored guidance for the Test of English as a Foreign Language (TOEFL), focusing on academic English skills critical for university admissions and international opportunities.

6. One-on-One Classes

Jumeira University offers personalized one-on-one classes for individuals seeking tailored learning experiences. These sessions include:

- Customized course outlines to address individual learning needs.
- Specially designed materials and handouts for enhanced learning.
- Dedicated guidance from experienced instructors.

This facility is available for all courses, including General English, Spoken English, IELTS,
